

Summary of Skill Set

The TAESS00011 Assessor Skill Set is designed to provide VET practitioners with the assessor competencies to meet Standards for Registered Training Organisations requirements. This skill set is suitable for those who are looking to conduct assessment in a structured environment (such as with a TAFE or private registered training organisations) or on-the-job in a workplace environment, (such as assessing the progress of trainees or apprentices or conducting workplace assessments with other staff).

Study Duration

Blended Online

Students have 3 months to complete the TAESS00011 Assessor Skill Set (self-paced study).

Career Opportunities

- Assessor in a registered training organisation
- Workplace assessor
- Enterprise assessor
- Assessment developer
- Training adviser/training needs analyst

Educational Pathways

Following the successful completion of this skill set, students may choose to further their learning pathway and complete TAE40116 Certificate IV in Training and Assessment.

Support Services

Here at FIT College, students are our number one priority. We offer 7am-7pm Education Phone Support, 24/7 Communication Log Support, Face to Face Student Support Sessions at each campus, as well as integral account services provided by our Student Services Team.

Course Payment

Students can pay for their course in full or through a direct debit payment plan. Payment plans are interest free. Domestic students under the age of 18 require a parent/guardian to accept financial liability on behalf of the student.

Nationally Recognised

This qualification is provided as Nationally Recognised Training.

Assessment

Every qualification, unit of competency or skill set that is completed at FIT College will require students to undergo a number of assessment tasks, both written and/or practical. The assessment tasks are designed to confirm that the student can competently meet all elements and performance criteria as indicated in the curriculum. By successfully completing each assessment task to the standard indicated, students are ready and eligible to perform those elements in the workplace. All courses are limited to a 2-topic progress sequence. Students will only have access to study 2 topics at one time.
