| SIS40215 |

## Summary of Qualification

The SIS40215 Certificate IV in Fitness reflects the role of personal trainers who have specialist skills to train individual clients, or groups of clients, on a one-on-one or group basis, to improve health related components of fitness in relatively low risk situations. This qualification will provide students with a substantial depth of knowledge to plan, conduct and evaluate exercise training; provide leadership and guidance to clients and other staff, and deal with unpredictable situations applying defined guidelines and procedures from the fitness industry and the organisation. This qualification will provide students with the skills and knowledge to work independently or with limited guidance from others and use discretion to solve non-routine problems, including monitoring and managing business activities to operate efficiently and profitably.
