Assessment

Every qualification, unit of competency or skill set that is completed at FIT College will require students to undergo a number of assessment tasks, both written and/or practical. The assessment tasks are designed to confirm that the student can competently meet all elements and performance criteria as indicated in the curriculum. By successfully completing each assessment task to the standard indicated, students are ready and eligible to perform those elements in the workplace.

Support Services

Here at FIT College, students are our number one priority. We offer 7am-7pm Education Phone Support, 24/7 Communication Log Support, Face to Face Student Support Sessions at each campus, as well as integral account services provided by our Student Services Team.

Course Payment

Full payment is required to complete this course.

Nationally Recognised

This qualification is provided as Nationally Recognised Training.
